***Navigating TJ O'Brien Lock & Dam requires "locking through". More info at <https://www.lrc.usace.army.mil/Locations/Locks-Dams/TJ-O'Brien/> at time of map production. The water trail depicted is not patrolled, inspected, or managed for passage. You are solely responsible for your personal safety. You should only paddle trails that are appropriate to your skills. Do not paddle when water levels are too low to allow for passage or when water levels are high, currents are fast and/or rivers and streams are in flood stage; if in doubt, do not go on the water.*
